These cases have resulted in multi-million dollar improvements in transaction terms and in strengthening the democratic rights of public shareholders:

- ***In re Freeport-McMoRan Copper & Gold, Inc. Derivative Litigation***, No. 8145-VCN (Del. Ch. 2015) (the Firm, as co-lead counsel, recovered \$153.5 million for shareholders and obtained an unprecedented provision allowing the settlement to be distributed to Freeport shareholders in the form of a special dividend. The benefits obtained by the Firm were in addition to \$72 million that Federated Investors, Inc. The Firm also obtained declaratory and injunctive relief to ensure that the alleged market-timing and late-trading activities would not be repeated);
- ***In re Mutual Funds Investment Litigation [Bank of America/Nations Sub-Track]***, No. 04-MD-15862 (JFM) (D. Md. 2010) (representing investors in Nations Fund Mutual Funds (the “Nations Funds”), the Firm, with lead counsel, achieved settlements that resolved the class action and several related litigations arising from alleged market timing and late trading in various mutual funds in the Bank of America mutual fund family. The settlements established a jointly-recommended minimum allocation of at least \$60 million to shareholders of the Nations Funds from a fund created as a result of Bank of America’s settlement of regulatory investigations. In addition to the monetary allocation, the settlements provide for corporate governance changes concerning the detection and prevention of future market timing and late trading in the Nations Funds. - ***In re Plains Resources, Inc. Shareholders Litigation***, No. 071-N (Del. Ch. 2004) (plaintiffs challenged the buyout of the public shares of Plains Resources by two of the company’s senior executives and Vulcan Energy. Ch. 2004) (Delaware Chancery Court issued a preliminary injunction enjoining the shareholder vote on the merger pending the issuance of curative disclosures by the MONY defendants; as part of the settlement, certain of MONY’s executives forfeited approximately \$7.4 million in change-of-control payments, funding an increase in the consideration received by MONY’s shareholders in the merger);

ANTITRUST LITIGATION

The Firm's antitrust practice is also active and growing. Currently, the Firm is representing dentists in *In re Delta Dental Antitrust Litigation*, No. 19-CV-6734-EEB, MDL 2931 (N.D. Ill.), an antitrust class action filed against Delta Dental State Insurers, DeltaUSA, and Delta Dental Plans Association alleging a coordinated agreement not to compete among the various separate Delta Dental entities and the unlawful misuse of monopsony power in the market for dental insurance throughout the United States in violation of the Sherman Antitrust Act and the Clayton Act.

The Firm is also a member of the Executive Committee for the Direct Purchaser Plaintiffs in *In re Packaged Seafood Products Antitrust Litigation*, No. 15-md-2670-JLS (MDD) (S.D. Ca.), an action consolidated for pretrial proceedings in the Southern District of California. This action arises out of a conspiracy by the largest producers of packaged seafood products ("PSPs") in the United States to fix, raise, maintain, and/or stabilize prices for PSPs within the United States, and its territories and the District of Columbia, in violation of Sections 1 and 3 of the Sherman Antitrust Act (15 U.S.C. §§ 1, 3).

The Firm is also part of the litigation team in *In re Broiler Chicken Antitrust Litigation*, No. 16-cv-08637 (N.D. Ill.), a national class action alleging that beginning in 2008, broiler chicken producers coordinated their efforts to artificially reduce the supply of broiler chickens for sale in the United States in violation of Section 1 of the Sherman Act.

Partner Stephanie M. Beige is a member of the Direct Purchaser Litigation Team in *Reece v. Altria, Inc., et al.*, 20-cv-02345 (WHO) (N.D. Ca.), a generic drug antitrust class action seeking damages for violations of Section 1 of the Sherman Act, 15 U.S.C. § 1, and Section 7 of the Clayton Act, 15 U.S.C. § 18. The e-cigarette antitrust claims stem from an allegedly anticompetitive agreement ("agreement") between Altria Group, Inc. ("Altria") and JUUL Labs, Inc. ("JUUL"), whereby Altria agreed to acquire an ownership interest in JUUL in exchange for over \$12 billion in cash. Altria allegedly agreed not to compete with JUUL and to provide JUUL valuable retail shelf space in the e-cigarette market. Through this agreement, JUUL was able to

maintain its dominance in the e-cigarette market and earn monopoly profits. Altria then shared these profits through its ownership stake in JUUL.

Over the past two decades, the Firm has served as lead, executive committee counsel, and co-counsel in many successful antitrust class actions, successfully obtaining multi-million dollar recoveries. These cases include, among others:

- ***In re Processed Egg Products Antitrust Litigation***, No. 08-MD-2002 (E.D. Pa.). The Firm served as co-lead counsel and co-trial counsel in this antitrust class against sixteen trade groups and egg producers alleging an industry-wide, price-fixing conspiracy that raised the price of shell eggs and egg products in violation of the Sherman Antitrust Act. \$136 million was recovered for the class.
- ***In re Pool Products Distribution Market Antitrust Litigation***, No. MDL 2328 (E.D. La.). The Firm served as co-lead counsel in this antitrust case commenced on behalf of a nationwide class of direct purchasers of pool products, against a pool products distributor and the three largest manufacturers of pool products in the United States. The plaintiffs asserted claims against all defendants under Section 1 of the Sherman Act for conspiracy to restrain trade, and against the pool products distributor under Section 2 of the Sherman Act for attempted monopolization. \$16 million was recovered for the class.
- ***In Re Polyurethane Foam Antitrust Litigation***, MDL No. 2196 (N.D. Ohio). The Firm served on the Plaintiffs' Executive Committee in this antitrust class action involving a price-fixing conspiracy by some of the world's largest manufacturers of flexible polyurethane foam. The case settled for over \$400 million just days before trial.
- ***In re Fresh and Process Potatoes Antitrust Litigation***, No. 10-MD-02186-BLW-CWD (D. Idaho). The Firm served on the Direct Purchaser Plaintiffs' Executive Committee in this antitrust class action commenced on behalf of direct purchasers of fresh and processed potatoes that resulted in a \$19.5 million settlement.

CONSUMER LITIGATION

Bernstein Liebhard also has an active consumer practice. The Firm represented thousands of affected tenants of the Stuyvesant Town and Peter Cooper Village rental apartment complexes in Manhattan. The case centered on allegations that landlords of the rental complexes have, for many years, illegally charged market-rate rents for apartments that should have been rent stabilized under New York City's Rent Stabilization Law, thereby overcharging each affected tenant thousands of dollars per year. The core legal issue was whether landlords could permissibly deregulate and charge market-rate rents for certain "luxury" apartment units in these complexes in years in which the landlords were simultaneously

receiving New York City tax abatements, known as “J-51” benefits. Prior to obtaining the \$146.85 million dollar settlement, the Firm, as co-lead counsel, obtained a landmark ruling in favor of tenants from the New York Court of Appeals, the highest appellate court in New York State. The Court of Appeals ruled that the New York statutory scheme prevented landlords of rent stabilized buildings from charging market-rate rents while receiving J-51 benefits for as long as they continue to receive those tax benefits. The Firm continued to aggressively litigate the case and brought nine other cases based on the this decision. The decision overturned state agency regulations that had been in effect for at least nine years. CRAIN’S NEW YORK BUSINESS described it as “a decision that will have colossal implications for tenants and landlords across the city.”

The Firm won a verdict of \$14.7 million in 2009 for the clients and class we represented in *Artie’s Auto Body, Inc. v. Hartford Fire Insurance Co.*, No. X08-CV-03-0196141S (CLD) (Conn. Super. Ct.), following a four-week jury trial. In addition to the \$14.7 million jury verdict, in 2013 the Firm obtained a \$20 million punitive damage award – the largest punitive damage award in the history of Connecticut’s Unfair Trade Practices Act. Regrettably, the verdict and the punitive damage award were reversed on appeal.

The Firm also successfully litigated a consumer class action which resulted in the re-labeling of a popular home medical testing device to properly reflect the product’s limitation in *Wagner v. Inverness Medical Innovations, Inc.*, No. 03-cv-404-J-20 (M.D. Fla.) and obtained favorable settlements in consumer fraud class actions for classes consisting of owners and lessees of certain Volvo automobiles (\$30 million) and certain Saab automobiles (\$4.25 million).

COMMERCIAL LITIGATION

Bernstein Liebhard also has an active commercial litigation practice, where it represents businesses, public pension funds, and other entities in high stakes, complex litigation. For example, the Firm represented the New Mexico Public Employees Retirement Association (“PERA”) in an individual action against Wells Fargo Bank and affiliates arising from defendants’

mismanagement of PERA's securities lending program. On the eve of trial, the Firm negotiated a \$50 million recovery for PERA, representing over 65% of PERA's damages.

The Firm represented the New Mexico Educational Retirement Board ("ERB") in an action against Wells Fargo Bank and affiliates arising from the mismanagement of ERB's securities lending program. After two years of litigation, the Firm successfully negotiated a \$5 million recovery for the ERB – representing over 50% of its damages.

The Firm acted as special litigation counsel to the Creditors Committee of Pandick Inc. (formerly the largest financial printer in the country) in connection with a complex fraudulent conveyance litigation and successfully recovered from Pandick's banks and directors over \$14 million for Pandick's creditors.

The Firm also represented the Actrade Liquidation Trust (the "Trust"), the successor to Actrade Financial Technologies, Ltd., a former publicly-traded company on NASDAQ, and Actrade Capital ("Actrade") in two actions – the first (*Meer v. Aharoni*, No. 5141-CC (Del. Ch.)) against Actrade's former Chairman of the Board of Directors related to his misappropriation from Actrade and his fraudulent inflation of Actrade's revenues in order to earn a profit on his options; the second (*Meer v. Deloitte & Touche LLP*, No. 11-cv-06994 (LAK) (S.D.N.Y.)) against Deloitte & Touche, LLP for auditing malpractice and negligence. The Firm negotiated a \$3,050,000 global settlement for both actions in February 2013.

WHISTLEBLOWER LITIGATION

Bernstein Liebhard also has an active whistleblower practice. The False Claims Act has proven to be one of the most effective mechanisms to recover funds that have been stolen from the government through fraud by corporations, contractors, and individual wrongdoers. Since 1986, more than 5,500 *qui tam* actions have been filed and more than \$20 billion in settlements and recoveries have been recouped by the government under the False Claims Act.

Although the False Claims Act covers numerous forms of fraud on the government, the False Claims Act does not cover tax fraud. Blowing the whistle on those who commit tax fraud

on the government is governed by the Tax Relief and Health Care Act of 2006. As with the False Claims Act, the Tax Relief and Health Care Act offers individuals the opportunity to report tax fraud and receive a reward for helping the government recover money lost due to tax fraud or other violations of the tax laws.

In 2010, Congress enhanced the Securities and Exchange Commission's whistleblower program with the adoption of the Dodd-Frank Wall Street Reform and Consumer Protection Act. The amendment, among other things, increases the amount of whistleblower awards payable by the SEC to those who provide the SEC with information concerning violations of the federal securities laws.

Bernstein Liebhard LLP is dedicated to providing experienced, dedicated, and aggressive representation for whistleblowers looking to blow the whistle on those who commit fraud on the government or who violate the tax laws and the federal securities laws. The Firm's whistleblower lawyers have extensive experience providing legal advice and representation to individuals filing lawsuits against persons and entities who commit fraud and other wrongdoing.

Mr. Bernstein litigates against the most prominent defense firms in the country and has earned a reputation for being a tenacious litigator who will try any case that does not settle on favorable terms. His experience and reputation for trying cases has enabled him to negotiate some of the largest securities fraud settlements in history. For example, Mr. Bernstein was the Chair of the Plaintiffs' Executive Committee in *In re Initial Public Offering Securities Litigation*, No. 21 MC 92 (S.D.N.Y.), a coordinated litigation of over 300 securities class actions, in which a \$586 million settlement was obtained. Mr. Bernstein was also instrumental in negotiating a \$400 million settlement in *In re Marsh & McLennan Cos., Inc. Securities Litigation*, No. 04-CV-8144 (CM) (S.D.N.Y.). In *In re Royal Dutch/Shell Transport Securities Litigation*, No. 04-374 (JAP) (D.N.J.), he negotiated a \$166.6 million settlement of the U.S. action, in addition to a \$350 million European settlement the firm was substantially responsible for obtaining. In *In re Bankers Trust Securities Litigation*, he recovered \$58 million for investors, representing 100% of their losses.

Mr. Bernstein also led an individual action on behalf of the New Mexico Public Employees Retirement Association ("PERA") against Wells Fargo Bank and affiliates arising from defendants' mismanagement of PERA's securities lending program. On the eve of trial, Mr. Bernstein negotiated a \$50 million recovery for PERA, representing over 65% of PERA's damages.

Mr. Bernstein has also been lead counsel in many of the leading securities cases enforcing and expanding the rights of shareholders, including in *In re Sears, Roebuck Derivative Litigation* and *In re Archer Daniels Midlands Corp. Derivative Litigation* (pioneering cases which improved corporate governance at both companies). He was also trial counsel for stockholders

in a trial in the Delaware Chancery Court that invalidated an anti-takeover device in *Shapiro v. Quickturn Design Systems, Inc.*

Most recently, Mr. Bernstein obtained a \$16 million cash settlement of a derivative action alleging that certain current and former directors of DeVry Education Group (currently known as Adtalem Global Education, Inc.) breached their fiduciary duties by allowing and approving a misleading advertising campaign.

Mr. Bernstein also represents corporations and businesses when they are plaintiffs in litigation against other businesses and in litigation alleging professional malpractice against attorneys and accountants. For example, Mr. Bernstein recovered millions of dollars in a global settlement on behalf of the Trustee of the Actrade Liquidation Trust (overseeing the liquidation of assets previously held by Actrade Technologies, Ltd., a public company that formerly traded on NASDAQ), in connection with an accounting malpractice action against Actrade's accountant for failing to conduct proper audits, and an action against Actrade's former chairman for misappropriation of funds. He has also recovered millions of dollars for corporate plaintiffs in professional malpractice and other corporate litigations.

Mr. Bernstein represented the creditors' committee in the Altegrity, Inc. and USIS Investigations, Inc. ("USIS") bankruptcy proceedings in connection with claims against a USIS director and its former officers arising from their alleged failures to adequately protect the confidential information of tens of thousands of government employees from a cyberattack in 2013. A confidential multi-million dollar global settlement resolved both actions.

Mr. Bernstein also chairs the firm's antitrust practice and served as co-lead counsel and co-trial counsel in the *In re Processed Eggs Antitrust Litigation*, a case alleging a near industry-wide, price-fixing conspiracy among egg producers to raise the price of shell eggs in violation of the Sherman Antitrust Act (\$130 million in settlements recovered prior to trial).
